

Front Desk Payment Kiosk

Prestop Powered By WPS

Provide a premium experience for your parkers outside opening hours of your front desk or as alternative self-service option. Executed in stylish white with edge-to-edge 24-inch touchscreen entirely made of glass. This design ensures less distraction of the screen and is easy to clean. Its design gives the kiosk a premium look that attracts attention and, at the same time, blends on every counter. Ideal solution for conditioned indoor areas with a (partially manned) front desk.
